

RAINBOW SHADE

RELAX

They're Protected Under Rainbow Shade

21 years ago the revolutionary Z16 shade fabric was released. In 1995 Z16 shared the spotlight with a number of innovations and products such as the original PlayStation, Ebay, Windows 95, Toy Story and the DVD.

- Z16 celebrates 21 years as a worldwide leading brand.
- Z16 remains unchanged since its inception in 1995.
- Z16 worldwide reputation for dependability, longevity and quality.
